

# Class Guide

## Here's what you need to do to for this class:

1. Give your parents the list of supplies and ask them to pull them all out for you.
2. Watch the video on **how to cut your paper** and see the cutting guide sheet.
3. Watch the **video on basic stamping tips**.
4. Look at the **Creative Guide** and start stamping!! Try copying the guide and then later make another set of cards and do your own thing! Have fun....get creative....get inky.
5. Mail your cards out and share on social media (with your parents' permission of course!)
6. Give your parents this coupon!
